**IN THE CIRCUIT COURT OF THE FIFTH JUDICIAL CIRCUIT  
IN AND FOR LAKE COUNTY, FLORIDA  
DOMESTIC RELATIONS DIVISION**

Case No.: 35-2021-DR-000147-AXXXXX

Division: Family

MAURICE SANDERS,

Petitioner/Father,

v.

VERUSHKA WILLIAMS,

Respondent/Mother.

**Declaration of Maurice Sanders Regarding Respondent's Selective Allegations, Pattern of Intimidation, and Minimal Support**

I, Maurice Sanders, declare as follows:

1. I am the father of AKS, the minor child in this matter, and a party to this case. I make this declaration based on my personal knowledge.
2. On March 23, 2026, Respondent sent an email referencing "intimidation." At no point did I act in any threatening or intimidating manner toward Respondent.
3. On March 23, 2026, during the Spring Break drop-off at Orlando International Airport (MCO) at approximately 9:00 PM, Respondent did not fully participate in the exchange and was not present for portions of the interaction. The drop-off occurred in a crowded airport with hundreds of travelers, creating an unsafe environment that placed AKS in imminent danger. Respondent then used the language of "intimidation" to justify or obscure her own irresponsible behavior.
4. Respondent claims she made a decision regarding AKS's haircut to "listen to the child's needs." However, this decision appears to have been a calculated action intended to create friction, as Respondent has consistently disregarded AKS's expressed needs and requests, including:

- Requests for tutoring support
  - Participation in extracurricular activities, including judo and SkyZone
  - Use of educational applications such as Duolingo
  - Communication regarding school concerns
  - On March 15, 2026, Respondent demanded exchanges at police departments, not neutral locations, contrary to AKS's best interests.
5. Respondent's engagement with AKS has been sporadic, limited primarily to brief phone calls or video calls, rather than consistent involvement in his daily needs or activities.
  6. Respondent has selectively taken actions that she believes may frustrate or harm me while disregarding efforts to support AKS's development and interests. Respondent has also provided minimal financial support, contributing to struggles in meeting AKS's needs.
  7. Respondent's instructions to AKS to act in opposition to discipline, combined with these selective actions, suggest an intent to alienate AKS and influence him against me.
  8. Respondent has a documented history of using intimidation and threats, including toward myself and a previous partner dating back to 2018. In 2018, Respondent engaged in digital mob action against me. A police report regarding that incident was filed with the Clermont Police Department and can be provided if requested. These actions demonstrate a pattern of strategic intimidation and targeting, unrelated to any legitimate concern about AKS.
  9. I submit this declaration to provide a factual record should Respondent attempt to allege intimidation or other misconduct in the future. The statements attributed to me are unsubstantiated, and the facts demonstrate that Respondent's actions are selective, strategic, and minimally supportive, rather than reflective of any improper behavior on my part.

I declare under penalty of perjury under the laws of the State of Florida that the foregoing is true and correct.

Respectfully submitted,

**Maurice Sanders**
